

Two camps to be held on 10 – 12 November 2017

Junior Leadership Development Academy

This fall we will gather a special group of young men (yours) to continue a process of being developed as leaders in the outpost.

Friday afternoon 10 November, from 4PM to 5PM these young men will register for the 2017 Junior Leadership Development Academy. This will occur all weekend until Sunday afternoon at 3:00 PM

This is open for young men in the **5th through 9th grades** who will be grouped with others in the same situations to work as a team to learn, develop, and practice leadership skills in a safe environment. Three different camps are available for the different age and experience of the boys.

The academy will be held at **Jackson Conference Center** where the boys will be housed in Cabins with others in their same groups. All meals will be provided. There is a suggested equipment list provided in the information packet sent out following registration for each camp.

Shooting Sports Action Camp

Also being held at **Jackson Conference Center** this **same weekend** is the first Shooting Sports Action Camp. This camp is **open to 16 boys and men** who want to learn, or expand their experience in the world of shooting sports. Various shooting activities are planned for a shared experience **where men and boys (7th grade and up)** will learn together the aspects of competitive and recreational shooting sports.

The participants will be housed together during the three days and share a fun filled, knowledgeable experience.

Activities and training will be based out of the current merit curriculum, and many requirements will be fulfilled for the boys. Leaders will gain familiarity for returning to their outposts and teaching these merits. Also to be discussed will be how to get more information to petition the NRA for a grant.

It is necessary for the boys to have a permission form signed and sent in with their registration.

Registration Info

Please contact us with any interest in attending so we can plan accordingly. We need to know how many are interested as soon as possible so we can arrange adequate staffing and facilities. Forms are available on the website for leaders and boys. Deadline for registering is 6 October 2017.
